

## *Call for abstract submission to EcoBalance 2022*

Dear Madams/Sirs,

We are very happy to welcome you to EcoBalance 2022. The EcoBalance conference has one of the longest histories among international conferences related to life cycle thinking. EcoBalance serves as a platform to discuss the findings and thought from science, practice and policy and build up the international network.

EcoBalance 2022 will be held from 30 October to 2 November 2022 in Fukuoka, Japan.

Website <https://www.ecobalanceconference.org/conference/2022/index.html>

Facebook page <https://www.facebook.com/EcoBalanceConference>

Please submit your contribution (**abstract within 300 words**) by **March 31, 2022 (JST)** at the below link.

<https://www.ecobalanceconference.org/conference/2022/submission/abstracts.html>

At the same time, we call for proposals of partner events that will take place before or after the main scientific program of EcoBalance 2022. Please see the details of the call and submission form in the following link.

<https://www.ecobalanceconference.org/conference/2022/submission/partnerevents.html>

We look forward to your submission of abstract and proposal of partner events!

Best regards,

*Masaharu Motoshita*

Conference chair of the EcoBalance 2022

*Yusuke Kishita*

Scientific committee chair of the EcoBalance 2022
